Professional Education

Utah State University
B.S. Computer Science

August 2017 – Graduating May 2021

Courses:

Advanced Algorithms	Scientific Data Visualization	Programming Languages
AI in Clean Energy	Cloud Computing	Operating Systems
Game Design	Networking in Java	Algorithms & Data Structures

Academic Awards:

Dean's List – College of Engineering	Fall 2017
Dean's List – College of Engineering	Spring 2018
Dean's List – College of Science	Fall 2020

Work Experience

USU Space Dynamics Laboratory

Assistant Software Engineer

April 2020 – Present

- Built a containerized GIS application for 2D and 3D visualizations, with custom image processing, terrain generation, and complete documentation
- Provided customer support and security bug fixes for spoonsite.com with a small team, and worked with external customers to satisfy technical requirements
- Developed visualizations, web crawlers, presentations, documentation and software systems for external customers in an Agile team using languages and frameworks like Python, Javascript, GraphQL, PostgreSQL, MongoDB

Vivint Smart Home

Summer Installation Technician

Summer 2018, 2019

- Managed personal time and processes to maximize efficiency for customer training and retention while training coworkers
- Directed small, dynamically sized teams to perform high-quality customer-focused technology integration and installation
- Achieved a quality-based ranking in the top 15 summer technicians

Skills, Education, Projects

- 2.5+ years Linux (daily use), FOSS, servers (raspberry pi, ubuntu, centos), Docker, Latex, Office Suite
- Git, jira, confluence, Agile methodologies, CI/CD tools (i.e. Jenkins)
- Languages: Python, Java, Javascript, SQL
- Frameworks & Platforms: Vue.js, Bootstrap, Heroku, Scrappy, Django, Keras
- Personal and software data security, encryption, best practices, implementations
- NAS server with raspberry pi for private low-cost home storage
- VPN, Plex, and other server setup and hosting
- Complex data handling, time management, teamwork, problem solving
